

# LEARN TO DANCE

to any **music**, with any **partner**, on any size **dance floor**

## Preliminary Bronze - Tango

Bronze 1 has easy steps with an introduction to style and technique, this style and technique is best introduced while the steps are easy.

Video clips of these steps are free for all 5th Avenue Dance Students

Non students of 5th Avenue Dance, video clips of these steps come with any technique video purchased.

- 1a Tango Basic Step
- 1b Outside Basic
- 2a Promenade Basic Turning Left
- 2b Promenade Basic Turning Right

Learn at home - \$40 per technique video

Each video comes with a Live online review and correction, or in studio check and correction

These points are the points your teacher is or will work on. If you are not sure, what you need or what you are ready for, please ask your teacher.

### 3<sup>rd</sup> Step Size and Timing (Basic) (video B1Ta)

#### See First:

Social Ease Tango – Staccato

Even though the count for Tango is: Slow Slow Quick Quick Slow  
The first 3 Steps are the same size and timing

How is that possible (and very necessary)???

This video show you how

## Left & Right Turn (video B1Tb)

This is an explanation so you know what is a right turn and what is a left turn

Not just in Tango, but all dances, all the time

This technique while easy if it is overlooked there will always be a question mark about “Am I turning the correct way?”

## Partnership in Promenade Left & Right (video B1Tc)

Learning here how to use “corridors” for partnership in Promenade

There is a “it will do” way. Then with a little learning, understanding and practice there is the “right” way. **This is the right way!**

This video is stand alone for tango, and will teach you easily the right way to close of Promenades in Tango and give you options in Foxtrot and Waltz

## Promenade Right 2<sup>nd</sup> Step - Partnership (video B1Td)
